-Script

12 sentences-matching each of the above pictures.

15 different clothing words.

6 sentences require use of color.

Correct usage of un and una.

Fashion Show:

*Pick Partners-Pick someone...

...who wants the same language as you.

...you can work with outside of class easily. (study hall, after school, live in the same town-neighborhood, parents willing to take you to their house)...etc

...you can work well with.

...who will leave you to do all of the work, or will do all of the work for you.

...so at least one person in your team has access to a computer at home or access to one.

CONSIDER THESE THINGS:

-It's easier to have a group with guys and girls. (for the we, they, he and she pictures)

-You can work in a team of 2 or 3, but it will be a lot more work.

-Best group size is 4.

-NO GROUP larger than 5!

*Write your team names down on a notecard and turn it into me. I will give you your rubric and script sheet.

*Begin planning/writing your script.

-Record who will be starring in the 12 pictures. Write in English what they are going to be wearing. (Bring all items you'll be wearing Tuesday and leave them here until the project is completed.) Check-Do you have 15 different items? Does every team member have an equal part?

-Record who will speak for each of the 12 pictures. Check-If it is the I picture is the person in the picture speaking. If it is he, is someone outside of the picture speaking. If it is a we picture is someone in the picture or all people in the picture speaking? Check this for all pictures. Does every team member have an equal part in speaking?

-Write what will be said. Type them. Turn them in. Make corrections on them. DUE FRIDAY!

-Take 12 pictures and 1 team picture. Create a Picle account. Take pictures. Put pictures in correct order.

-Practice speaking sentences. Record sentences.
